NO BORDER KITCHEN ist eine selbstorganisierte Gruppe von Aktivisten aus der ganzen Welt, mit dem Ziel, Menschen auf ihrer Reise nach Europa zu unterstützen. Die NBK entstand im September 2015 "auf der Balkanroute ". Ein politisches Projekt, das das von den Regierungen der EU erzwungene Grenzregime ablehnt. Neben der Bereitstellung von Grundbedürfnissen setzen wir uns gegen die Grenzpolitik und das Leid ein, das sie verursachen. Wir werden nicht von Regierungen finanziert, sondern sind auf Spenden angewiesen. Mehr Infos unter :
